

Donetta Cothran

Donetta J. Cothran is a Professor at Indiana University. She is a Fellow of the National Academy of Kinesiology and SHAPE America. Dr. Cothran is the author of numerous publications of a variety of types, most of which focus on the teacher and student experience in physical education. She has won multiple Indiana University teaching awards and is a former K-12 teacher. When not thinking about Mosston's Spectrum, she enjoys travelling, gardening, and the great outdoors.
